unethical. For example, the firing of an employee by a company is not illegal but may be unethical.

What are ethical considerations? | ALRC

Legal & Ethical Considerations For Informed Consent In Clinical Trials. By Helen M. French, RN, BSN. The purpose of this article is to provide some thoughts as to the role each of us can play in clarifying some issues related to informed consent. These perspectives are based on my experiences as a registered nurse in a career that spanned more than three decades in private hospital settings, a private surgical association, and a university health system.
